<https://www.researchgate.net/profile/Peter-Arkadiev-2>

ORCID ID 0000-0002-4503-2634

Researcher ID Q-6966-2016

Academic interests: language typology and wide-scale cross-linguistic comparison; areal linguistics and language contact; case systems and argument structure; tense-aspect-actionality; clause-combining; morphological complexity, polysynthesis and morphology-syntax interface; Northwest Caucasian languages; Baltic languages; Slavic languages.

Degrees

- | | |
|------|---|
| 2019 | Habilitation “Areal typology of prefixal perfectivisation (on the material of the languages of Europe and the Caucasus)” (in Russian), Institute of Slavic Studies of the Russian Academy of Sciences (degree awarded by the Russian Ministry of Science and Higher Education in 2020)
Opponents: Elena Petrukhina, Anna Zaliznyak, Emma Geniušienė
Date of defense October 8, 2019 |
| 2006 | PhD in linguistics (Russian State University for the Humanities), dissertation “Typology of two-term case systems” (in Russian)
Supervisor: Tatiana Nikolaeva
Opponents: Yakov Testelet, Michael Daniel
Date of defense June 21, 2006 |
| 2004 | Specialist in general linguistics, Institute of Linguistics of the Russian State University for the Humanities, Moscow
Supervisor: Vladimir Plungian
Overall mark: summa cum laude
Degree awarded: 9 June 2004 |

Education

- | | |
|-----------|---|
| 2004–2006 | PhD student at the Institute of Slavic Studies of the Russian Academy of Sciences, Moscow
supervisors: Vladimir Toporov († December 2005), Tatiana Nikolaeva |
| 2005 | Summer school “Academia grammaticorum salensis secunda” (Salos, Lithuania, July–August 2005) |

1999–2004	Undergraduate student at the Institute of Linguistics of the Russian State University for the Humanities, Moscow
2003	New York — Saint-Petersburg Summer Institute of Cognitive and Cultural Studies (Saint-Petersburg, Russia, July 2003)
2002	University of Exeter (UK), advanced summer English language courses (August 2002)
2002	Vilem Mathesius Lecture Series, Charles University (Prague, Czech Republic, March 2002)

Employment / positions

12/2024–11/2027	University of Potsdam, Institute of Slavistics, researcher (PI) in the DFG-funded project “Ambifixes: Typology and diachrony”
09/2024–11/2024	University of Cologne CRC 1252 “Prominence in Language” senior research fellowship (DFG, September–November 2024)
11/2023–08/2024	Albert-Ludwigs-Universität Freiburg, Freiburg Institute for Advanced Studies, Marie Curie senior fellow
06/2023–10/2023	Johannes Gutenberg-Universität Mainz (Germany), Department of Slavistics researcher in the Anshubprojekt „Semantische Annotation von Aspekttempus-Formen im Nonpast-Bereich slavischer Sprachen“ financed through the University
01/2023–06/2023	Johannes Gutenberg-Universität Mainz (Germany), Department of English and Linguistics researcher in the ANR-DFG-funded project “Complex Predicates in Languages: Emergence, Typology, Evolution”
07/2022–12/2022	University of Zürich (Switzerland), Slavisches Seminar researcher at the SNF-funded project “‘Ill-bred sons’, family and friends: tracing the multiple affiliations of Balkan Slavic”
01/2021–06/2022	Institute of Slavic Studies of the Russian Academy of Sciences Department of Typology and Comparative Linguistics leading researcher
10/2020–06/2022	Russian State University for the Humanities, Institute of Linguistics, Centre for Linguistic Typology professor
01/2018–01/2022	Vilnius University (Lithuania), Philological Faculty research professor in the project “The Baltic Verb: Grams, Categories and Domains” funded by the European Union Social Fund through the Lithuanian Research Council

03/2016–04/2017	Johannes Gutenberg-Universität Mainz (Germany), Institute of Slavistics principal investigator in the DFG-funded project “Triangulation Approach for Modelling Convergence with a High Zoom-In Factor”
10/2012–09/2015	Vilnius University (Lithuania), Philological Faculty senior researcher in the project “Valency, Argument Realisation and Grammatical Relations in Baltic” funded by the European Union Operational Programme for Human Resources Development
02/2012–12/2017	Sholokhov Moscow State University for the Humanities Institute for Modern Linguistic Research researcher in projects funded by Russian Foundation for the Humanities, Russian Foundation for Basic Research and Russian Science Foundation
06/2010–12/2020	Institute of Slavic Studies of the Russian Academy of Sciences Department of Typology and Comparative Linguistics senior researcher
09/2008–06/2020	Russian State University for the Humanities, Institute of Linguistics, Centre for Linguistic Typology assistant professor
02/2005–05/2010	Institute of Slavic Studies of the Russian Academy of Sciences Department of Typology and Comparative Linguistics junior researcher

Job interviews

11/2024	Ludwig-Maximilians-Universität München, interview for the W2 professorship in general linguistics
04/2024	CNRS, Paris, France, audition for the senior researcher (DR) position
07/2023	Karl-Franzens Universität Graz, Austria, interview for the full professorship in European comparative linguistics
03/2023	CNRS, Paris, France, audition for the senior researcher (DR) position

Academic self-administration and services

2023–2027	Member of the Scientific Committee of the Societas Linguistica Europaea
2023–2026	Member of the Nominating Committee of the Association of Linguistic Typology
2022	Institute of Slavic Studies of the Russian Academy of Sciences member of the dissertation committee

2017–2021	Institute of Slavic Studies of the Russian Academy of Sciences member of the scientific council
2021–2023	Member of the book awards jury of the Societas Linguistica Europaea
2019	Chair of the Greenberg award jury for best dissertation in linguistic typology of the Association of Linguistic Typology
2012–2016	Expert for the Italian National Agency for the Evaluation of Universities and Research Institutes
2006–2012	Institute of Slavic Studies of the Russian Academy of Sciences Department of Typology and Comparative Linguistics department secretary

Membership in professional societies

Association of Linguistic Typology (2007–)
 Societas Linguistica Europaea (2009–)
 Academia Salensis (2013–)
 Russian Academy of Sciences (elected Professor in 2022)
 Academia Europaea (elected member in 2023)

Fellowships and awards

2024	Jena Excellence Fellowship Programme for 6 months (could not accept due to clash with other employments)
2024–2026	Helsinki Collegium for Advanced Studies, Core senior fellowship (could not accept due to clash with other employments)
2024	University of Cologne CRC 1252 “Prominence in Language” senior research fellowship (DFG, September–November 2024)
2023–2024	Freiburg Institute for Advanced Studies senior fellowship (Marie S. Curie FCFP)
2023	LabEx EFL visiting professorship (Paris, France)
2021	Short-term Erasmus+ fellowship at the University of Ljubljana (Slovenia)
2019	Short-term guest fellowship at the University of Leipzig (ERC-project “Grammatical Universals”)

2014	Grant of the Russian Foundation for Fundamental Linguistic Research financing the publication of the monograph “Areal Typology of Prefixal Perfectivisation (on the basis of the languages of Europe and the Caucasus)”
2010, 2014	Academic guest at the Department of linguistics, Max-Planck Institute of Evolutionary Anthropology
2008–2009	Grant of the Russian Science Support Foundation for the best post-docs of the Russian Academy of Sciences
2007	Grant of the Association for Linguistic Typology (€ 800) to attend the 7 th Biennial meeting of ALT in Paris
2006–2007	Grant of the Japan Foundation to young scholars working on Japanese
2005–2006	Grant of the Russian Science Support Foundation for the best PhD students of the Russian Academy of Sciences
2004	Travel grant of the Russian State University for the Humanities to attend the 11th International Morphology Meeting in Vienna
2002	Travel grant of the Rotary Clubs of Devon (UK) to attend the advanced summer English language courses at the University of Exeter

Participation in externally funded projects

2024–2027	DFG-funded project (Eigene Stelle) # 546749782 “Ambifixes: Typology and diachrony”, University of Potsdam (€ 337.549), to start in December 2024
2023	ANR-DFG-funded project “Complex Predicates in Languages: Emergence, Typology, Evolution”, Johannes-Gutenberg-Universität Mainz (Germany), Department of English and Linguistics, project head Prof. Dr. Walter Bisang researcher (Wissenschaftlicher Mitarbeiter)
2022	SNF-funded project “‘Ill-bred sons’, family and friends: tracing the multiple affiliations of Balkan Slavic”, University of Zürich (Switzerland), Slavisches Seminar, project head Prof. Dr. Barbara Sonnenhauser researcher (Wissenschaftlicher Mitarbeiter)
2018–2021	European Union Social Fund project “The Baltic Verb: Grams, Categories and Domains”, Vilnius University (Lithuania), Philological Faculty, project head Prof. Dr. Axel Holvoet researcher

- 2017–2021 Russian Science Foundation grant “Information structure in spoken and signed languages” awarded to the Centre for Linguistic Typology of the Russian State University for the Humanities, project head Prof. Dr. Vera Podlesskaya
researcher, member of the application-writing team
- 2017–2019 Russian Foundation for Basic Research grant “Grammatical categories and clause structure” awarded to the research team led by Prof. Dr. Anton Zimmerling (Sholokhov Moscow University for the Humanities)
researcher, member of the application-writing team
- 2016–2017 DFG-funded project “Triangulation Approach for Modelling Convergence with a High Zoom-In Factor”, Johannes-Gutenberg-Universität Mainz (Germany), Institute of Slavistics, project head Prof. Dr. Björn Wiemer
principal investigator
- 2014–2016 Russian Science Foundation grant “Typology of word order and information structure-syntax interface in the languages of the world” awarded to the research team led by Prof. Dr. Anton Zimmerling (Sholokhov Moscow University for the Humanities)
researcher, member of the application-writing team
- 2014–2016 Russian Foundation for the Humanities grant “Interaction of grammatical mechanisms in the languages of the world” awarded to the research team led by Prof. Dr. Anton Zimmerling (Sholokhov Moscow University for the Humanities)
researcher, member of the application-writing team
- 2012–2015 European Union Operational Programme for Human Resources Development grant “Valency, Argument Realisation and Grammatical Relations in Baltic”, Vilnius University (Lithuania), Philological Faculty, project head Prof. Dr. Axel Holvoet
researcher
- 2012–2014 Russian Foundation for the Humanities grant “Syntax of non-finite verbal predications” awarded to the research team led by Dr. Natalia Serdobolskaya (Sholokhov Moscow University for the Humanities)
researcher, member of the application-writing team
- 2012–2013 Russian Ministry of Science and Education grant “Models of case grammar and natural language” awarded to the research team led by Prof. Dr. Anton Zimmerling (Sholokhov Moscow University for the Humanities)
researcher, member of the application-writing team

2012	Grant of the Russian Foundation for Fundamental Linguistic Research “Field research on Circassian dialects (text corpora, grammatical sketches) project head
2011–2013	Russian Foundation for the Humanities grant “Typology of morphosyntactic parameters” awarded to the research team led by Prof. Dr. Anton Zimmerling (Sholokhov Moscow University for the Humanities) researcher, member of the application-writing team
2009–2011	Russian Academy of Sciences grant “Construction and dynamics of discourse in time and space: Balkano-Balto-Slavica” awarded to the Department of Typology and comparative linguistics of the Institute of Slavic Studies, project head Prof. Dr. Tatjana Civjan researcher, member of the application-writing team
2007–2009	Russian Academy of Sciences grant for postdoctoral researchers “Actionality and aspect in Lithuanian in comparison with Slavic”
2006–2008	Russian Academy of Sciences grant “Language contacts and conflicts in the Slavic area: contact-induced change” awarded to the Department of Typology and comparative linguistics of the Institute of Slavic Studies, project head Prof. Dr. Vyacheslav Ivanov researcher, member of the application-writing team
2006–2007	Russian Foundation for the Humanities grant “Syntax of a polysynthetic language” awarded to the research team led by Prof. Dr. Yakov Testelelets, Institute of Linguistics of the Russian State University for the Humanities junior researcher
2004	Russian Foundation for the Humanities grant “Fieldwork on West Circassian” awarded to the research team led by Prof. Dr. Yakov Testelelets, Institute of Linguistics of the Russian State University for the Humanities junior researcher

Research stays abroad apart from employment

05/2023	LabEx EFL / INALCO, Paris, visiting professor
11–12/2019	Department of Slavistics, Johannes-Gutenberg University, Mainz
10/2014	Department of linguistics, Max-Planck Institute for Evolutionary Anthropology, Leipzig
05/2013	Institute of the Lithuanian Language and Vilnius University

10/2012	Institute of the Lithuanian Language and Vilnius University
02/2011	Institute of the Lithuanian Language and Vilnius University
05/2010	Institute of the Lithuanian Language and Vilnius University
01-02/2010	Department of linguistics, Max-Planck Institute for Evolutionary Anthropology, Leipzig
05/2009	Institute of the Lithuanian Language and Vilnius University
10/2008	Institute of the Lithuanian Language and Vilnius University
12/2006	Institute of the Lithuanian Language, Vilnius

Courses taught

May 2023	INALCO, Paris	Seminar “Problems of polysynthesis with special reference to the Northwest Caucasian languages”
Fall 2022	University of Zürich	PhD seminar “Northwest Caucasian languages: grammar and typology”
May 2021	University of Ljubljana	“Slavic aspect in a typological perspective” (two lectures)
Fall 2020	Institute of Slavic Studies of the Russian Academy of Sciences (Moscow)	“Baltic languages from an areal-typological perspective” (PhD level)
Fall 2020	Russian State University for the Humanities (Moscow)	Theoretical approaches to Lithuanian (BA-level)
Spring 2015–2022	Russian State University for the Humanities	General morphology (BA-level) Morphological typology (BA-level)
Spring 2013–2022	Russian State University for the Humanities	Typology, diachronic and areal linguistics (MA-level)
Fall 2014, 2019–2021	Russian State University for the Humanities	Introduction to morphological theory (MA-level)
Fall 2015–2021	Russian State University for the Humanities	Typology of grammatical categories (MA-level)
Fall 2013	Russian State University for the Humanities	Contact linguistics (specialist level)

Spring 2013	HSE University (Moscow)	Lithuanian in a typological perspective (BA-level)
Summer 2012	Summer School “Academia grammaticorum salensis nona”, Salos, Lithuania	“Semantics of case systems” (two lectures)
Summer 2011	Summer School “Academia grammaticorum salensis octava”, Salos, Lithuania	lectures “Typology of alignment”, “Typology of case systems”
Fall 2009, 2011	Russian State University for the Humanities	Typology of morphosyntactic alignment (specialist level)
Fall 2008, 2010, spring 2013	Russian State University for the Humanities	Typology of case systems (specialist level)
Spring 2009, fall 2010, 2011, 2012, 2015	Russian State University for the Humanities	Lithuanian in a typological perspective (specialist and BA-level)
Spring 2009, 2011, 2012, 2013	Russian State University for the Humanities	Typology of tense and aspect (specialist level)

Supervision and evaluation of dissertations

PhD dissertation supervision: Kirill Kozhanov “Balto-Slavic areal contacts in verbal prefixation” (in Russian) at the Institute of Slavic Studies of the Russian Academy of Sciences (2010–2015).

PhD dissertation evaluation: Natalia Zaika “Verbs with a dative argument in Basque” (in Russian), Institute of Linguistic Studies of the Russian Academy of Sciences (Saint-Petersburg, 2009)

PhD dissertation evaluation (external report): Anna Daugavet “Syllable length in Baltic languages in comparison with Estonian and Livonian” (in Russian), Saint-Petersburg State University, 2009.

PhD dissertation evaluation: Vladimir Panov “Aspectual functions of Latin preverbs: typology and diachrony” (in Russian), Institute of Linguistics of the Russian Academy of Sciences (Moscow, 2012)

Habilitation dissertation evaluation (external report): Elena Pchelintseva “Aspectual features of eventive nominalisations in Russian, Ukrainian and Polish” Institute of Linguistic Studies of the Russian Academy of Sciences (Saint-Petersburg, 2016)

PhD dissertation evaluation: Natalia Perkova “Presuppositional comitatives in the Circum-Baltic area”, Department of Linguistics, Stockholm University (mock opponent, 2017)

PhD dissertation evaluation: Anastasia Escher (née Makarova) “The past tense system of the Macedonian, Albanian and Aromanian varieties of the Prespa region” (in Russian), Institute of Linguistic Studies of the Russian Academy of Sciences (Saint-Petersburg, 2018)

PhD dissertation evaluation: Evgeniya Budennaya “Evolution of subject reference in the languages of the Baltic region” (in Russian), Institute of Linguistics of the Russian Academy of Sciences (Moscow, 2018)

PhD dissertation evaluation (external report): Roman Ronko “Nominative object in Old Russian and North Russian dialects in an areal and typological perspective” (in Russian), Institute of Linguistics of the Russian Academy of Sciences (Moscow, 2019)

PhD dissertation evaluation: Alexey Kozlov “Prospective: semantic typology and paths of grammaticalisation” (in Russian and English), HSE University (Moscow, 2021)

PhD dissertation evaluation: Alexey Vinyar “Noun incorporation in Chukchi: A force-dynamic approach and diachronic typology” (in Russian and English), HSE University (Moscow, 2023; committee chair)

Supervision of undergraduate theses

Specialist diploma: Kirill Kozhanov “Semantics and uses of indefinite pronouns in Lithuanian (in comparison with Latvian, Polish and Russian)” (in Russian) at the Philological faculty of the Lomonosov Moscow State University (2009–2010).

Specialist diplomas at the Institute of Linguistics of the Russian State University for the Humanities (all in Russian):

Yulia Savilova, “Some regularities in the use of the suffixes of nomina instrumenti in modern Czech” (2010–2011)

Irina Gorbunova “Tense-aspect system of Atayal as spoken in the village of Pyanan (Taiwan)” (2011–2012)

Anton Somin “Tense, aspect and modality in Besleney Kabardian” (2011–2012)

Lyubov Nesterenko (née Klimenchenko) “Adverbial expressions in Besleney Kabardian” (2013–2014)

BA theses at the Institute of Linguistics of the Russian State University for the Humanities (all in Russian):

Maria Aksenova “Distribution of modal markers in the Bzhedugh dialect of West Circassian” (2014–2015)

Evgeniya Khristoforova “Semantic classifiers in Russian Sign Language” (2016–2017, co-supervisor Prof. Dr. Vadim Kimmelman, University of Bergen)

Evgeniya Klyagina “The system of past tenses in Northwest Caucasian languages” (2017–2018)

Alina Palmova “The case system of Pechora Setu” (2018–2019, co-supervisor Dr. Habil. Tatiana Agranat, Institute of Linguistics of the Russian Academy of Sciences)

Ekaterina Uryvaeva “Inceptive constructions in Mandarin Chinese” (2019–2020)

Alena Beskrovnaya “The expression of standard of comparison in constructions with the comparative degree of adjectives in Lithuanian” (2020–2021)

Nikita Belyaykin “The Czech subjunctive in comparison with Russian” (2020–2021)

Anna Belova “The database ‘Grammatical dictionary of Lithuanian’” (2021–2022)

MA thesis of Elizaveta Kushnir “The verb in Yaouré (Southern Mande)” at the Philological faculty of the Sholokhov Moscow University for the Humanities (2014–2015).

Conferences (co-)organized

International conference “Syntax of the World’s Languages X” (University of Potsdam, September 2025), member of the organising committee.

Workshop “Managing information structure in spoken and sign languages” at the 52nd Annual Meeting of the Societas Linguistica Europaea (Leipzig, 2019), together with Vadim Kimmelman, Nikolay Korotaev & Vera Podlesskaya

Workshop “Morphological complexity: Empirical and crosslinguistic approaches” at the 48th Annual meeting of the Societas Linguistica Europaea (Leiden, 2015), together with Francesco Gardani

Workshop “Baltic Languages in the European Context” at the 45th Annual meeting of the Societas Linguistica Europaea (Stockholm, 2012), together with Valgerður Bjarnadóttir

Workshop “Borrowed Morphology: Form and Meaning” at the 15th International Morphology Meeting (Vienna, 2012), together with Nino Amiridze and Yasuhiro Kojima

“Typology of morphosyntactic parameters” (Sholokhov Moscow State University for the Humanities, 2011–2016, Moscow), co-organiser

Workshop “Baltic Languages in an Areal-Typological Perspective” at the 43rd Annual meeting of the Societas Linguistica Europaea (Vilnius University, 2010), together with Jurgis Pakerys

“Moscow syntax and semantics” (Russian Language Institute of the Russian Academy of Sciences, Moscow, 2009, 2011), co-organiser

“Contemporary approaches to Baltic linguistics” (Institute of Slavic Studies of the Russian Academy of Sciences, Moscow, 2009), co-organiser

“Areal and genetic factors in the structure of Slavic languages” (Institute of Slavic Studies of the Russian Academy of Sciences, Moscow, 2007)

“Formal semantics in Moscow” (Moscow State University, 2005, 2006, 2008), co-organiser

Invited talks

1. Double-marking of prominent objects cross-linguistically: patients, recipients and beyond. Linguistischer Arbeitskreis, Cologne Center of Language Sciences, 27 November 2024.
2. Typology and diachrony of ambifixes: some preliminary observations. Indogermanisten-kolloquium, Universität zu Köln, 25 October 2024, and Linguistisches Kolloquium, Johannes Gutenberg Universität Mainz, 28 October 2024.
3. Applicative functions of Slavic verbal prefixes from a cross-linguistic perspective. Seminar of the Department of Slavic Linguistics, University of Stockholm, 25 September 2024.
4. Typology and diachrony of ambifixes: Some preliminary observations. Keynote plenary lecture at the 21st International Morphology Meeting, Vienna, 28–30 August 2024.
5. Case in head-marking languages: towards a comprehensive typology. Linguistisches Kolloquium München, Ludwig-Maximilians-Universität München, 15 May 2024.
6. Differential double-marking of objects: Uralic and beyond. Seminar “Current Topics in Uralic Studies and Linguistic Typology”, Ludwig-Maximilians-Universität München, 13 May 2024.
7. Getting to grips with “linguistic complexity” from a cross-linguistic perspective. FRIAS Kolloquium, Freiburg Institute for Advanced Studies, 22 April 2024.
8. Applicative functions of Slavic verbal prefixes from a cross-linguistic perspective. Verona Slavic Linguistics Webinar, online, 21 March 2024.
9. Case in head-marking languages: towards a comprehensive typology. Hermann Paul Colloquium, Albert-Ludwigs-University of Freiburg, 15 December 2023.
10. A preliminary typology of morphologically uncoded passives. Workshop *The Word, Alignment, Valency: In honour of Fernando Zúñiga*, Bern, 2 December 2023.
11. Unmarked resultatives in Abaza (Northwest Caucasian) and the typology of passive lability. Linguistic Colloquium of the University of Cologne, 15 June 2023.

12. Are single-term case systems possible? Linguistic Colloquium of the Johannes-Gutenberg University, Mainz, 17 April 2023.
13. (together with Yury Lander) Ambifixes: Cross-linguistic variation and possible origins. *Princeton Phonology Forum "The wheres and whens of affixation"*, 2–3 December 2022 (online).
14. Non-canonical noun incorporation and lexical affixation in Northwest Caucasian (with focus on Abaza). *Linguistics Colloquium of the University of Bern* (9 November 2022), seminar *Théories et données linguistiques*, INALCO, Paris (18 November 2022).
15. Non-canonical marking of subjects and objects in Baltic. Seminar of the Slavistics Department of the University of Zürich, 27 October 2022.
16. Polysynthesis: Lessons from Northwest Caucasian. Plenary talk at the *13th Mediterranean Morphology Meeting*, Rhodes, Greece, 19–21 May 2022 (online).
17. Between noun incorporation and lexical affixation in Northwest Caucasian (with focus on Abaza). *Higher Seminar of the Department of Linguistics*, University of Stockholm (online), 9 December 2021.
18. Typology of polysynthesis and Northwest Caucasian languages. Plenary lecture at the *18th International Conference on Typology and Grammar for Young Researchers*, Institute of Linguistic Studies, Saint-Petersburg / online, 25–27 November 2021.
19. Morphological borrowing. Seminar of the Franc Ramovš Institute of Slovenian Language, Ljubljana, 25 May 2021.
20. Typologically outstanding aspects of the morphology of the languages of the Caucasus. *Linguistic Circle* of the Philosophical Faculty of the University of Ljubljana, 24 May 2021.
21. Non-canonical inverse in Circassian and Abaza: Borrowing of morphological complexity. Webinar of LACIM (International research network on linguistics and languages of the Anatolia-Caucasus-Iran-Mesopotamia area, INALCO, Paris), 14 December 2020; *Linguistic Convergence Laboratory*, Higher School of Economics, Moscow, 10 March 2020.
22. Typologically outstanding aspects of the morphology of the languages of the Caucasus. *Linguistic Colloquium*, Johannes-Gutenberg-Universität Mainz, 25 November 2019; *Workshop on Theoretical Approaches to the Languages of the Caucasus*, CreteLing Summer School, Rethymno, 24 July 2019.
23. Morphological typology: state of the art and perspectives (in Russian). Colloquium of the Department of theoretical and applied linguistics, Lomonosov Moscow State University, 27 February 2019.
24. Are one-term case systems possible? (in Russian). Open seminar of the Department of typology and areal linguistics, Institute of Linguistics of the Russian Academy of Sciences, Moscow, 24 January 2019.
25. Slavic-style aspect: An areal-typological approach. *International Summer School "Areal Linguistics and the Languages of Russia"*, Voronovo, 9–14 September 2018.
26. When perfective and imperfective mean the same: Pluperfect and “retrospective shift” in Circassian languages. Plenary talk, *Historical Linguistics of the Caucasus*, École Pratique des Hautes Études, Paris, 12–14 April 2017.
27. (together with Björn Wiemer) Perfects in Baltic and Slavic. Symposium *The Function and Semantics of the Perfect in Indo-European Languages*, Uppsala University, 29 September — 1 October 2016.
28. How languages borrow morphology. *Academia Grammaticorum Salensis Tertia Decima*, Salos (Lithuania), 1–6 August 2016.

29. Borrowed preverbs and the limits of contact-induced change in aspectual systems. Workshop *Preverbs in Indo-European languages. Diachronic issues and language contact*, Johannes-Gutenberg-Universität Mainz, 27 May 2016.
30. Morphological borrowing: problems and investigation (in Russian). Open seminar on typology, comparative linguistics and linguistic traditions of the Orient, The Institute of Oriental Studies of the Lomonosov Moscow State University, 28 April 2016.
31. On the place of Lithuanian in the typology of aspectual systems. Plenary talk at the international conference *Semantics and Structure of Linguistic Units*, Klaipėda University (Lithuania), 12–13 June 2015.
32. How and why languages borrow morphology (in Russian), open seminar of the Institute of Linguistics, Russian State University for the Humanities, Moscow, 25 February 2015.
33. (Together with Yakov Testelefs) The challenges of differential nominal marking in Circassian, University of Leipzig, 30 October 2014.
34. Multiple ergatives: From allomorphy to differential agent marking, Max-Planck Institute for Evolutionary Anthropology, Leipzig, 29 October 2014.
35. (Non-)finiteness, constructions, and participles in Lithuanian, Max-Planck Institute for Evolutionary Anthropology, Leipzig, 10 October 2014.
36. Nominal hierarchies and double-marking of objects (in Russian). Seminar of the Laboratory for the typological study of languages, Institute of Linguistic Studies of the Russian Academy of Sciences, Saint-Petersburg (Russia), 19 November 2013.
37. On some peculiarities of the Lithuanian perfect (in Russian), *Roundtable dedicated to the memory of Tatiana Moloshnaya*, Institute of Slavic Studies of the Russian Academy of Sciences, Moscow, 18 December 2012.
38. “External” verbal prefixes in Lithuanian. Linguistics seminar of Scuola Normale Superiore, Pisa, 14 December 2012.
39. Semantics of “external” prefixes in Lithuanian, seminar at the Philological Faculty of Vilnius University, 25 October 2012.
40. Towards a typology of case in head-marking languages (in Russian). Seminar *Problems of grammatical theory*, Institute of Linguistics of the Russian Academy of Sciences, Moscow, 17 October 2011.
41. Clitic doubling: towards a typology. Workshop *Clitics and syntactic typology*, Russian State University for the Humanities, Moscow, 7 June 2010.
42. Towards a typology of case in head-marking languages. Max-Planck Institute of Evolutionary Anthropology, Leipzig, 4 February 2010.
43. Issues in the syntax of participles in Lithuanian (in Russian). Seminar *Problems of grammatical theory*, Institute of Linguistics of the Russian Academy of Sciences, Moscow, 29 December 2008.
44. Split intransitivity: problems of theory and typology (in Russian). Seminar of the Philological faculty of Saint-Petersburg State University, 17 May 2007.
45. Typology of two-term case systems (in Russian). Institute of the Lithuanian Language, Vilnius, 11 December 2006.
46. Split intransitivity and universal grammar (in Russian). *Moscow Typological Society*, Lomonosov Moscow State University, 17 November 2004.
47. Split intransitivity: semantics and typology (in Russian). Seminar on theoretical semantics, Institute of information transmission problems of the Russian Academy of Sciences, Moscow, 17 September 2004.
48. Split intransitivity in Lithuanian and Georgian: towards an explanation of a typological parallel (in Russian). Seminar of the Department of typology and comparative linguistics, Institute of Slavic Studies of the Russian Academy of Sciences, Moscow, 30 March 2004.

Field research
